Item 4
No. 2017-03-28

To the Honorable Richard S. Venable, Sullivan County Mayor and the Board of Sullivan County Commissioners meeting in Regular Session this 20th day of March 2017.

RESOLUTION TO URGE PASSAGE OF THE IMPROVE ACT BY THE TENNESSEE GENERAL ASSEMBLY

WHEREAS, the continued lack of funding for county highway projects has reached a critical point in Tennessee as state gasoline/fuel tax collections remain consistently stagnant; and

WHEREAS, at the state level, the Administration has identified more than a \$10 billion backlog of needed transportation projects; and

WHEREAS, as a part of the overall Tennessee transportation system, county roads and bridges are essential to the state's economic and community development success, the safe and efficient transportation of school children and the provision of emergency services to our taxpayers; and

WHEREAS, while the vast majority of vehicle trips in Tennessee begin and end on a road maintained by a local government, county highway departments are continuing to scale back or cancel resurfacing projects and reduce staffing until additional revenues become available; and

WHEREAS, in response to this critical need for additional transportation revenue, Governor Haslam has proposed the IMPROVE Act, which would increase the tax on gasoline by \$0.07 cents and the tax on diesel fuel by \$0.12 cents, which, in combination with other miscellaneous fees and surcharges, results in an additional \$296 million dollars annually for the Department of Transportation and an additional \$78 million dollars annually to counties, providing highway departments with much needed resources to more adequately address their current and future infrastructure needs; and

WHEREAS, while making essential investments in transportation infrastructure, the IMPROVE Act balances the burden on taxpayers by also providing for cuts to franchise and excise taxes, grocery taxes and the Hall Income Tax; and

WHEREAS, the County Legislative Body of Sullivan County, Tennessee believes the IMPROVE Act provides an adequate, multi-faceted funding solution for Tennessee's transportation needs and provides tax relief for citizens and businesses which will allow Tennessee's economy to remain strong and continue to grow.

NOW, THEREFORE BE IT RESOLVED by the County Legislative Body of Sullivan County meeting in regular session at Blountville, Tennessee, that the Tennessee General Assembly is strongly urged to pass the IMPROVE Act in order to more adequately fund the state's transportation infrastructure needs.

BE IT FURTHER RESOLVED, that the County Clerk shall mail a copy of this resolution to the legislative delegation representing this county and to the Tennessee County Services Association.

This resolution shall take effect from and after its passage. All resolutions in conflict herewith be and the same rescinded insofar as such conflict exists.
