File # 8/90-3 A request by Robert Martin to rezone the property described below from R-1 to R-2: To approve Planning Commissions Action ROLL CALL 10/15/90

Being a tract of land located in the Eighteenth Civil District on Beulah Church Road and further described as map 107 parcel 50 and 51 of the Sullivan County Tax Maps.

Ĉ.

۰.

The Planning Commission took the following action:

File No. 8/90-3, Robert Martin Request

Mr. Martin presented a request to rezone a tract of land located in the Eighteenth Civil District on Beulah Church Road from R-1 to R-2 to permit the location of a mobile home.

0094

Staff noted that this area is at present in the process of developing. There have been several new homes built in the area recently and that recording this property to allow for mobile homes might discourage additional single family construction in this area. Staff stated that there were very few mobile homes at present located in the area and recommended that the request be denied.

The commission discussed the fact that the request encompasses 16 acres of property in two tracts and questioned the advisability of rezoning such a large tract for one mobile home. A letter in opposition to the request was presented from an adjacent property owner. Several persons were present opposing the request. Mr. Martin stated that his intention was to place only one mobile home on the property.

On a motion by Walkey, seconded by Guthrie, the commission voted unanimously to deny the request.

Motion by: //. (D) Comm.King Seconded by: Comm. Rockett

File # 8/90-4 A request by Mark A. Phillips to rezone the property described below from R-1 to R-2: To approve request Passed 10/15/90 Roll Call Being a tract of land located in the Fifteenth Civil District on the north side of Lone Star Road opposite its intersection with Woodland Drive and further described as map 103 parcel 1.30 of the Sullivan County Tax Maps.

The Planning Commission took the following action:

File No. 8/90-4, Mark A. Phillips Request

Mr. Phillips presented a request to rezone a tract of land located in the Fifteenth Civil District on the north side of Lone Star Road opposite its intersection with Woodland Drive from R-1 to R-2 to permit the location of a mobile home.

Staff noted that there were several mobile homes located in this area and that an additional mobile home would not be incompatible with the existing land use. Staff recommended that the request be approved.

On a motion by Russin, seconded by Guthrie, the commission voted unanimously to approve the request.

 Motion by: (c)
 File # 8/90-6
 A request by Paul Copas to rezone the property described below from Comm. King

 Comm. King
 Being a tract of land located in the Fourteenth Civil District on the north side of Fordtown Road at its intersection with Deck Street and further described as map 106 parcel 85 of the Sullivan County Tax Maps.

The Planning Commission took the following action:

File No. 8/90-6, Paul Copas Request

Mr. Copes presented a request to rezone a fract of land located in the Fourteenth Civil District on the north side of Fordtown Road et its intersection with Deck Street from R-1 to R-2 to permit the location of a mobile home.

0095

A letter was presented in opposition to this request. Staff noted that the property was adjacent to a reliroad right-of-way and a M-1 Manufacturing zone. Staff stated that the property was adequately buffered and isolated from the surrounding R-1 neighborhood and recommended that the request be approved.

On a motion by Russin, seconded by Guthrie, the commission voted unanimously to approve the request.

The Planning Commission took the following action:

File No. 8/90-15, Naceeb Kasseem Request

Mr. David Gauldin presented a request to rezone a tract of land located in the Sixth Civil District on U. S. Highway 11-W and Deck Valley Road from B-4 to M-1 to permit the location of a truck terminal.

Gary Fake was present in opposition to the request and stated he had concerns about the type of operation located to be located on the site. His concerns centered on the entrance and exit to the site and whether or not the trucking company would be hauling hazardous waste from the site. Mr. David Gauldin stated that he was awaiting a site plan and was unable to answer questions about the entrances and exits until those could be worked out with the state department of transportation. Mr. Gauldin stated that no extremely hazardous waste would be handled from this site. Staff noted that the site formed on U. S. Highway II-W at the intersection of Dack Valley Road and recommended that the site be approved for a PMD (Planned Manufacturing District).

On a motion by Russin, seconded by Wallin, the commission voted unanimously to approve the site for rezoning to a PMD (Planned Manufacturing District).

File # 4/90-5 A request by Air Resource Engineering, Inc. to rezone the property described below from A-1 to M-2 :

To defer Deferred 10/15/90

Being a tract of land lying on Gum Springs Road and further described as Parcel 26 Map 117 of the Sullivan County Tax Maps.

0098

The Planning Commission took the following action:

April 17,1990

File No. 4/90-5, Air Resource Engineering, Inc. Request. Due to the large public interest generated by this request, the Chairman moved this request ahead on the agenda. Mr. Torbett presented a request to rezone a tract of land located in the Fifteenth Civil District on Gum Springs Road near its intersection with Blair Gap Road from A-1 to M-2 to permit the location of a sanitary landfill. Staff recommended approval of the request. Mr. James Myers appeared and presented information concerning development of landfills and discussed the requirements for permit approval of sanitary landfills. He stated that Sullivan County's present landfill would be closed within approximately one year and the need for a landfill in Sullivan County might be met by this facility. Messrs. Torbett and Jim Green appeared representing the developers of the proposed landfill. They presented approval from the Tennessee Department of Health and Environment, Mr. Larry Gilliam, to conduct a feasibility study into a landfill at this site. Mr. Green answered several technical questions concerning the request. A number of property owners from the area appeared in opposition to the request. Several petitions were presented to the commission in opposition to the request. Concerns of the property owners focused on several issues, among them surface and groundwater supplies, devaluation of adjacent property, pollution from the site affecting surrounding properties, and feasibility of developing a landfill at this site. Mr. Marion Light of the State of Franklin Environmental Group appeared in opposition to the request and expressed concern about the location of natural gas lines and power transmission lines existing on the site. Mr. Fred Childress of the County Commission appeared and asked that the rezoning be deferred for further study.

April 30, 1990

The Chairman stated that the purpose of the called meeting was to address specific questions relating to the rezoning of the site for the proposed location of a landfill. He explained to the citizens present at the meeting the procedures for rezoning property in Sullivan County.

File No. 4/90-5, Air Resources Engineering, A-1 to M-2. A large group of citizens were present in opposition to this rezoning request. Among those speaking were Mr. Joe Taylor, Mr. Paul Jones, Mr. Marion Light, and Mr. Ray Compton, several other persons present also spoke in opposition to this request. Mrs. Janice Duncan submitted a list of written questions relating to the request. The commission attempted to answer the questions on this list as well as questions asked by the audience. The concerns of those present in opposition to the request centered upon the possibility that property in the area adjacent to the request would be devalued by the location of a landfill at this site, the environmental impact on the area of landfill located on this site and the ability of the developers to operate a landfill safely at this site. Mr. Larry Gilliam of the Tennessee Department of Health and Environment was present to answer questions regarding the permit approval process required of the developers before a permit could be issued to the landfill by the State of Tennessee. Mr. Gilliam stated that new regulations had been adopted by the state effective March 18, 1990 and he presented a copy of the new regulations to the commission. Messrs. Tom Torbett and Jim Green were present representing the developers of the site and answered questions asked by those in opposition to the request. The developers stated that the landfill had a life expectancy of thirty years and that once it was closed the site would be used for pasturoland. They stated that no reason exists for not operating a landfill aesthetically since the technology

exists to do so. Mr. Green stated that the end user of the landfill would be Sullivan County and that garbage from other counties would not be accepted at the landfill. He stated that a search was instituted several years ago for suitable site for a landfill by the developers. This site was selected as the best site available from an engineering standpoint. Mr. Gilliam stated that the rezoning of the property would have to be concluded prior to the operating permit being issued by the state. However, the property could be studied for suitability and the permit application could proceed up to the approval of the application for a permit before zoning would be required. Mr. Torbett stated that due to the cost of the hydrological study, the developers would be reluctant to complete the study until the county rezones the property. At 8:25 P. M. the Chairman turned the discussion of the rezoning over to the commission. Dr. Russin stated that he had concerns about zoning the property M-2 prior to suitability of the site for a landfill being established. Dr. Russin asked the developers what would be lost if the rezoning were delayed until the study is complete. The developers responded that they wanted a signal from the county that the county wanted to utilize the site as a landfill. Dr. Russin stated that he was hesitant to rezone the property M-2 until the studies were completed. Mr. Brumit stated that the county commission had the final decision and due to the ability of the developers to appeal, no matter what decision the planning commission made it would end up in the county commission. On a motion by Brumit, seconded by Russin, the commission voted unanimously to deny the request.

Motion by Comm. Harr Seconded By: Comm.Ferguson

File # 6/90-2 A request by Calvin Dishner to rezone the property described below from R-1 to R-2 :

To defer Deferred 10/15/90

Being a tract of land lying at the intersection of Muddy Creek Road and Yoakley Road and further described as parcel 33 map 95 of the Sullivan County Tax Maps.

The Planning Commission took the following action:

File No. 4/90-12, Calvin Dishner Request. This request was considered in conjunction with a subdivision plat of the property presented by Mr. Dishner. Mr. Calvin Dishner presented a request to rezone a tract of land located in the Eighteenth Civil District at the intersection of Muddy Creek Road and Yoakley Road from R-1 to R-2 to permit the location of a mobile home. Staff recommended that the request be denied. Staff stated that the closest mobile home is located approximately 600 feet west of the site, that there are no other mobile homes in the eree, the character of the erea is low density single family stick built homes. Mr. Lawrence Emment, Mre. Combs, Charles Daugherty, Nancy Hickman, Larry Smith and Mike Groseclose were present in opposition to the request. A letter in opposition to the request was read from Mr. Yoakley and a petition was presented from adjacent property owners. Mr. Dishner spoke in favor of the request. He stated that there were several mobile homes in the area and he wished to develop his subdivision as a mobile home subdivision. On a motion by Paty, seconded by Brumit, the commission voted unanimously to deny the request.

<b>RESOLUTION NO.</b> $24$	
TO THE HONORABLE Wm. H. "John" McKamey COUNTY EXECUTIVE, AND THE MEMBERS OF	THE
SULLIVAN COUNTY BOARD OF COMMISSIONERS IN Regular SESSION	
THIS THE 15th DAY OF October , 19 90.	
RESOLUTION AUTHORIZING Sullivan County Own Its Own Solid Waste Landfill	
WHEREAS, TENNESSEE CODE ANNOTATED; SECTION, AUTHORIZES COUNTIES TO	
NOW, THEREFORE BE IT RESOLVED by the Board of County Commissioners of Sul County, Tennessee, assembled in <u>REGULAR</u> Session on the <u>15th</u> d of <u>October</u> , 19 90,	livan lay
THATWHEREAS, In a matter of ten or fifteen years from now Sullivan County citizens w	vould
be in better shape financially and environmentally if the County owns its own solid waste	ə
landfill and either operates it or hires a company with the necessary technical experti-	se to
operate it, and	
	=
WHEREAS, Solid Waste disposal is a service to citizens of the County and the cit	tizens
understand they must pay for this expensive service from now to forever and they also	
understand that it is not wise to choose short-term gain and long-term loss; and	
WHEREAS, If the County does not buy land, by condemnation if necessary, and op	erate
its own landfill the citizens of the County will be held hostage every 2, 3, or 4 years	
because a private company must not only recover its investment and operational cost but	also
must make a profit in order to exist, and	·
WHEREAS, If Sullivan County owns and operates the landfill the increment of pro	fit
in the fees would not exist; the County could limit the use of the landfill to only Sull	ivan
County citizens thus the landfill would provide space for many more years than a regiona	1

landfill and consequently, there would be fewer landfills in the County over a long period of time, and

WHEREAS, Although state agencies seem to have an interest in the formation of and promotion of private solid waste disposal companies to serve political regions, Sullivan County is a large county and a large business is capable of issuing long term revenue bonds to fund such a project for itself; therefore

BE IT RESOLVED, That the Sullivan County Commission give serious consideration to the option of owning it's own solid waste landfill.

# Employers, reservists have certain obligations in crisis

IT'S BEEN more than 20 years since the last big military Employers: call-up. The recent mobilization has many soldiers and employers wondering just what their legal obligations are. Here's. a brief primer. 1999 A. 1999 ۰. Reservists:

· are not required to give employers notice that they are leaving.

· are required to continue making loan payments, but interest rates on mortgages, car payments and some other loans may be reduced to 6 percent under the Soldiers' and Sailors' Civil Relief Act of 1940.

are still required to make child support payments.

to work after being released from duty.

the same pay, rank and seniority they could have expected had they not been called up. If a reservist returns of so severely disabled that he can no longer perform hisprevious job, his employer is still required to offer him as job as close in pay, rank and seniority as possible to the one he left.

• are not required to continue insurance coverage on active duty reservists.

AND THEREUPON COUNTY COMMISSION ADJOURNED TO MEET AGAIN IN REGULAR SESSION, NOVEMBER 19, 1990.

Lim. H. John" MCKamen COUNTY EXECUTIVE

# Proclamation

## Sullivan County, Tennessee

WHEREAS, to commemorate the 200th Anniversary of the founding of the Territory of the United States south of the river Ohio and Governor William Blount's address to the citizenry of Sullivan County; and

WHEREAS, on April 2, 1790, the U. S. Congress officially accepted the land from North Carolina for the Territory of the United States south of the river Ohio, the area would later become Tennessee; and

WHEREAS, on May 26, 1790 the U. S. Congress legislated an Act for the government of the territory south of the river Ohio; and

WHEREAS, on June 8, 1790, President George Washington did commission William Blount of North Carolina as Governor of the aforesaid territory; and

WHEREAS, on October 11, 1790 Governor William Blount did arrive at the home of William Cobb in Washington County; and

WHEREAS, built circa 1770, by an early settler named William Cobb, Rocky Mount did serve as the <u>ORIGINAL CAPITAL</u> of the Southwest Territory from Governor William Blound's arrival on October 11, 1790 to 1792; and

WHEREAS, on Monday, October 25, 1790, Governor William Blount "laid out" <u>Sullivan County</u> of the Southwest Territory and did address its citizenry; and

WHEREAS, on Monday, October 29, 1990, the Rocky Mount Historical Association did commemorate the 200th Anniversary of Governor William Blount's address to the citizenry of Sullivan County through a dramatic recreation, funded in part by the Tennessee Art Council, and the Arts Council of Greater Kingsport; and

NOW, THEREFORE BE IT RESOLVED, by the County Commission of Sullivan County, Tennessee, that we hereby pause to commemorate the 200th Anniversary of the founding of the Territory of the United States south of the river Ohio, and Governor William Blount's address to the citizenry of Sullivan County on Monday, October 25, 1790; and

BE IT FURTHER RESOLVED, that the Sullivan County Commission commends the Rocky Mount Historical Association for its efforts to commemorate these historically significant events and for preserving the material and cultural heritage of this region for Tennesseans of future generations to enjoy and learn.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of Sullivan County, Tennessee to be affixed this the 15th day of October, 1990.
