FILL FOR SULLIVAN COUNTY I was introduced and put to motion by Esq Reed, second by Esq
Hawk, and adopted by a roll call vote, the Court waving the
rules, and is in the following words and figures, to-wit;

BE IT RESOLVED THAT Sullivan County provide a sanitary landfill for disposal
of solid waste of all the citizens of Sullivan County in compliance with Tennessee Code
Annotated Sections 53-4301 - 53-4315.

Solid waste is defined as:: Garbage, refuse, and other discarded solid
material resulting from community activities but not including the following: Industrial
waste; solid or dissolved material in sewage; other significant pollution in water resources;
land clearing residue such as trees, stumps, leaves and brush; junk automobiles; demoli-
tion waste; hazardous special waste including but not necessarily limited to explosives,
pathological waste, radioactive material, and other chemicals of matters as determined
by the Department of Public Health of the State of Tennessee.

BE IT RESOLVED THAT in accordance with the laws of the State of Tennessee,
Sullivan County will purchase two (2) transfer stations as approved in a previous resolu-
tion and one transfer station will be installed by the City of Kingsport on a site selec-
ted by the City of Kingsport. The second transfer station will be installed by the City
of Bristol on a site selected by the City of Bristol. After these transfer stations are
installed, according to the specifications of the State of Tennessee and of the manufac-
turer of the transfer stations and the City of Bristol and the City of Kingsport have
deeded or leased said sites at no cost to Sullivan County, then Sullivan County will main-
tain and operate said transfer stations for the use of all citizens of Sullivan County
to dispose of their solid waste as heretofore defined.

BE IT FURTHER RESOLVED THAT Sullivan County will purchase necessary equip-
ment to transport the solid waste material from transfer stations and any other site
approved by the Sullivan County Quarterly Court to a sanitary landfill in accordance with
the laws of the State of Tennessee. The purchase of the transfer stations and the equip-
ment for transportation of solid waste material will be funded from the sale of general
obligation bonds and/or bond anticipation notes issued by Sullivan County not to exceed
\$325,000.00. The operation and maintenance of Sullivan County transfer stations and trans-
portation equipment and any and all other necessary expenses incurred by Sullivan County
in disposing of solid waste in accordance with the laws of the State of Tennessee be
funded in the 1972-73 budget.
