RESOLUTIONS FOR SECOND READING:

<u>RESOLUTION</u>	<u>INTRO BY</u>	<u>COMMITTEE ACTION</u>
1. Sullivan County be granted the same holidays as State of Tennessee	Torbett (Jo Ann)	Executive -

The Executive Committee considered this resolution which would grant to county employees the same holidays as now taken by State Employees. The committee did not approve this resolution but approved the following holidays for Sullivan County employees:

- NEW YEAR'S DAY
- Good Friday
- Memorial Day (last Monday in May)
- July 4
- August General Election (one day)
- November General Election (one day)
- Thanksgiving (fourth Thursday in November  
    & following Friday, two days)
- Christmas (two days)

2. Compensation for outside Legal Work	J.King	Executive - Approved Budget - Approved
3. School Consolidation Study	Phillips	Education - Approved Budget - Approved Recommended that cost be shared by cities
4. Lease from Bloomingdale	Phillips	Education - Approved Executive - Approved
5. Study for county administration building	Barr	Executive - Approved Budget - Approved

<u>RESOLUTIONS DEFERRED FOR FURTHER STUDY</u>	<u>INTRO BY</u>	<u>COMMITTEE ACTION</u>
1. Legal defense provided for Sullivan County for all Elected officials, agents, and employees	Reed	Deferred

This has been deferred by the Legislative and Judicial Committee so that the resolution will be worded properly.

This resolution has been deferred until County Court is notified of what action the State Legislature has taken in regard to the Business Tax Act.

3. Trash and garbage pick-up and disposal Scott H&W -Deferred

The section pertaining to door-to-door pick-up has been deferred until the landfill operation has been completed.

4. Tax Rate J. King Fiscal Budget -Approved -Deferred

This resolution has been deferred for further study.

RESOLUTIONS DEFERRED FOR FURTHER STUDY

INTRO BY

COMMITTEE ACTION

5. Administrative Assistant to County Judge J. King Budget-Disapproved Executive-Deferred Judicial -Deferred

This resolution has been deferred for further study.

At the present time, there has been no decision reached for the disposal site of solid waste for Sullivan County. We hope to have a recommendation by the April 17 court meeting in regard to this matter.

AGENDA

- Opening of Court by Sheriff
- Prayer
- Pledge to the Flag
- Call to Order
- Roll Call
- Election of Notaries
- Reports of Committees
- Old or unfinished Business
- New Business
- Adjournment

Sincerely yours,

Lon V. Boyd

QUARTERLY REPORT OF Pat H. Spivey, Superintendent submitted his report  
PAT H. SPIVEY, SUPERINTENDENT I for the period ending March 31, 1972, which report  
was received and adopted by a voice vote of the  
court and is in the following words and figures - to-wit:

HONORABLE JUDGE AND MEMBERS OF THE SULLIVAN COUNTY COURT  
IN SESSION APRIL 17, 1972  
BLOUNTVILLE, TENNESSEE, 37617

Gentlemen:

Since the State Legislature has not taken final action on all programs that will affect our local budget, I have not yet submitted budget recommendations to the Sullivan County Board of Education for the 1972-73 School Budget.

I am submitting proposed amendments to this year's budget (1971-72), along with a breakdown showing sources of revenue. These amendments to the General Purpose School Fund and the reasons for the amendments are shown in Appendix A attached. As you know, it has been customary for several years to approve amendments to the current school budget prior to the close of the fiscal year as long as surplus funds from the previous school budget prior to the close of the fiscal year as long as surplus funds from the previous school year are available in the School Fund. The total of these proposed amendments is \$212,500.00. However, of this amount, only \$112,250.00 is charged to local funds. These amendments have been approved by the Sullivan County Board of Education and by the County Court Education Committee.

In addition to our General Purpose School Fund, Federal Public Law 89-10 funds are deposited in the Trustee's Office and Federal regulations require that these funds be budgeted separately. When the 1971-72 school budget was approved, it included \$439,646.00 in Public Law 89-10 funds. Since that time, we have received entitlements to an additional \$67,660.00 which requires budget approval in the form of an amendment before expenditure can be made. A revised budget covering all P. L. 89-10 funds including the additional \$67,660.00 is attached (Appendix B). P. L. 89-10 funds can be spent only in accordance with Federal guidelines that establish the types of approvable programs. However, the County Court must approve these funds before the money can be spent. With these funds we are

for approximately 1,000 elementary students, providing library books for all children, furnishing special remedial instructional materials for educationally handicapped children, and providing funds for indigent dental cases through the Health Department.

I would like to remind the Court, as I have in previous reports, that we may not be able to continue paying many regular classroom teachers from Federal Title I funds. At the end of the 1970-71 school year, we had forty-eight regular teachers on the Title I payroll. This program was not approved in August, 1971, because it was not compensatory in nature.

The original Elementary and Secondary Education Act (P. L. 89-10) passed by the Congress in 1965 permitted and even encouraged school systems to employ regular classroom teachers to reduce pupil-teacher ratios. The original Act has never been amended to the contrary. However, recent guidelines issued by the office of Health, Education, and Welfare to the various state departments of education and relayed by them in turn to local boards of education have changed the meaning of the Act to eliminate regular classroom teachers employed to reduce pupil-teacher ratios.

Last September we were instructed by our Tennessee State Department of Education to drop fifteen regular classroom teachers from the Title I project. These teachers were tenured teachers and had to be absorbed in our regular program. Their salaries are reflected in our amendments that will be presented to the April term of Court. This leaves us presently with thirty-three teachers on the Title I program which, according to recent interpretations, is still not approvable.

At a recent meeting in Nashville with Title I officials, we were instructed to remove the remaining thirty-three regular classroom teachers from the project. This would involve \$227,000.00 in local money. After many hours of discussion, we were told unofficially that we would be given an extra year to phase out the program if we would remove an additional thirteen teachers for the 197-73 school year. This amounts to approximately \$106,000.00. However, it should be kept in mind that when the final project is presented this summer, it is entirely possible that the remaining twenty teachers would have to be dropped or replaced with local money. Although I do not think this will happen, I feel that it is my responsibility to point out this possibility to the Court. The entire supervisory staff is working on this program in an effort to convert it to an approvable project.

I should point out that this problem is not unique to Sullivan County but is being faced by most of the school systems in Tennessee.

Our schools will close on Tuesday, May 30. We have been fortunate this year in having lost only one day due to snow. This allowed us to have a week for Easter vacation and also to close schools almost a week earlier than in the past several years.

We again plan to operate a summer elementary program with Federal funds under P. L. 89-10. The elementary summer school centers will be at Blountville, Bluff City, Cedar Grove, Lynn Garden, Sullivan and Valley Pike. The high school summer program will be at Central High School and will be financed through student tuition.

Very truly yours,  
Pat H. Spivey  
Pat H. Spivey, Superintendent  
Sullivan County Schools

April 17, 1972

QUARTERLY REPORT

OF  
J. W. ERWIN, COUNTY HEALTH DIRECTOR

J. W. Erwin, County Health Director presented his report for the period ending March 31, 1972, which report was received by a voice vote of the court and is in the following words and figures.

TO THE HONORABLE COUNTY COURT OF SULLIVNA  
BLOUNTVILLE, TENNESSEE

I wish to submit the following report of activities of the Sullivan County Health Department for the period January, February, March, 1972 (first column), which is offered as the department's quarterly report. The second column January - December gives the total of activities for the year 1971.

	<u>January, February, March</u>		<u>January - December</u>	
	<u>Cases</u>	<u>Deaths</u>	<u>Cases</u>	<u>Deaths</u>

QUARTERLY REPORT OF HELEN STOCKING, EXTENSION AGENT

I Helen Stocking, Extension Agent for Sullivan County  
I presented her report for the quarter ending March 31,  
I 1972, which report was adopted by a voice vote of the  
I Court and is in the following words and figures,

to-wit:

TO: JUDGE LON V. BOYD AND MEMBERS OF THE SULLIVNA COUNTY QUARTERLY COURT:

The following is a brief report of the Extension Agent (Home Economics) for the quarter ending March 31, 1972.

A course in clothing construction was completed for interested residents at Edgemont Towers in Bristol.

A great deal of time was spent in planning and preparing the Extension Home Economics plan of work for July 1, 1972 through June 30, 1973.

A nutrition survey was taken among home demonstration club members to help establish their food planning, buying and preparation habits, and to help determine the eating practices of their families. Results were compiled and this information was used for determining some areas of emphasis for the food health and nutrition program in the next five year period.

For five weeks I attended the University of Tennessee to complete another nine hours of course work toward a master of science degree.

Training was given to home demonstration club home management leaders to help prepare them for teaching the subject matter in their local clubs.

Meetings of the county nutrition committee were held to make plans for preparing foods and nutrition information for the lower income people of the county.

A new home demonstration club was organized in the Greenacres area of Kingsport.

I attended two days of in-service-training on communications methods and two days on the Art of Macrame, and one day of 4-H club camp planning.

Plans were also begun for several activities and events that will take place in April.

These activities were in addition to the preparation of radio programs, news columns, attending home demonstration club meetings, and other routine office duties.

Jon M. Baker  
Jon M. Baker  
Assistant Extension Agent

Respectfully submitted,  
Pat Bowling  
Patricia F. Bowling  
Assistant Extension Agent

QUARTERLY REPORT  
OF COUNTY AGENT, J. W. MCCLAIN

J. W. McClain, Extension Leader for Sullivan County presented his report for the period ending March 30, 1972, which report was adopted by a voice vote of the Court and is in the following words and figures, to-wit:

TO: JUDGE LON V. BOYD AND MEMBERS OF THE SULLIVAN COUNTY QUARTERLY COURT.

This is a brief report of the Sullivan County Agricultural Extension Agent for the quarter ending March 31, 1972. We have mailed 896 soil samples to the Soil Testing Laboratory this quarter. Last year Sullivan County ranked fourth in the number of soil samples tested with 1089 from 575 individuals.

We had Joe Burns, U. T. Agronomist, here on January 27 for two corn production meetings. Then on March 2 Dave Weaver, U. T. Weed Control Specialist, was here for two Chemical Weed Control meetings with a good portion of the discussion on weed control in corn. There will be plenty of blight resistant seed corn available this year. The USDA Statistical Reporting Service shows the 1971 average corn yield for Sullivan County was 73 bushels per acre. This was the second highest yield in the State and was 18 bushels higher than the State average of 55 bushels.

Gilbert Rhodes, U. T. Tobacco Specialist, was here on February 3 for two tobacco production meetings and a discussion of the poundage control program. A number of tobacco quotas will be leased this year. Some growers will be producing some of the Maryland type tobacco in 1972 as this kind of tobacco is not under a control program.

We had 42 Sullivan County people to attend An Estate Planning Shortcourse at Johnson City on February 24. This was the first time such meetings have been held across the State sponsored by the Agricultural Extension Service.

On March 21, the U. T. Agricultural Biology Department released some Alfalfa Weevil predator wasps on a farm near the Airport. It will take some time to see how effective they will be. We hope to have some more released, if they are available.

Our D. H. I. A., Annual meeting was held January 12. The association average for this past test year on 1219 cows was 11,400 pounds milk and 455 pounds butterfat, up 400 milk and 21 pounds butterfat from the previous year.

We have worked with the Appalachian Holstein in planning their spring sale for April 22 at Appalachian District Fairgrounds. 8 Sullivan County breeders have consigned animals to this sale. We have met with the Tri-State Guernsey Association at their Annual meeting and meeting to plan their 1972 activities. The Sullivan A. B. A. Annual meeting was on February 26.

I have assisted 3 farmers in freeze branding their cattle. We have 13 beef herds enrolled in the Beef Cattle Improvement Program. Three of these have bulls on 140 day feed tests and they are weighed every 28 days and rates of gain calculated. We have met with the Angus and Hereford Feeder Calf Sale directors.

We did beef cattle production and pasture surveys on 30 farms as a basis for planning our plan of work in these areas.

We assisted the 4-H Honor Club in taking orders for and distributing some 125,000 strawberry plants the last week in March.

We have met and worked with the Sullivan County Fair Directors and Sullivan County Farm Bureau Directors.

As usual, most of my time has been spent with farm visits, office calls and telephone calls. These range from questions concerning lawns and shrubbery to entire farm planning. A large number of bulletins on various subjects have been distributed.

Respectfully submitted,

J. W. McClain  
J. W. McClain  
Extension Leader

QUARTERLY REPORT  
 OF  
 CLAUDE PRINCE, ASSISTANT EXTENSION AGENT

I  
I  
I  
I  
I

Claude Prince, Extension Agent presented his report for the Quarter ending March 31, 1972, which was adopted as read and read and in the following words and figures to-wit:

TO JUDGE LON V. BOYD AND MEMBER OF THE SULLIVAN COUNTY QUARTERLY COURT.

THE FOLLOWING IS A BRIEF REPORT OF THE EXTENSION AGENT FOR THE QUARTER ENDING MARCH 31, 1972.

Some time was spent taking, mailing and assisting in the interpartation of analysis of silage and soil samples. Results from the laboratory show Sullivan County to be third in state in number of samples sent to be analyzed last year.

The directors of both Angus and Hereford Feeder Calf Sales met and made plans for the coming year. The annual membership meeting for Mountain Breeder producers was held in March.

Directors of Artificial Breeder Association DHIA and annual DHIA meeting was held with V. D. Parsons giving report on 1971 activities. The Tri-State Guernsey Association held their annual meeting and plans were made for this year's activities. Bob Cain, Holstein fieldman spent some time in County assisting in registration of Holstein cattle.

Specialists in the Agronomy department from U. T. assisted in holding County wide meetings on Corn Production, Tobacco and Weed Control.

Programs were supplied to garden clubs at Town and Country and Blue Ridge and home demonstration club at Weaver.

Assistance was given in delivering 450 baby chicks to 10 4-H members in the Kingsport area. The district 4-H Club Camp planning session was attended in Morristown.

County wide events and activities assisted with were; annual election of Soil Conservation Supervisors, annual Production Credit membership meeting, Soil Conservation Service Soil Judging Awards Banquet, and Fair workshop.

Training meeting attended or participated in was 2 day Communication School, Estate Planning Shortcourse and Seed Corn Promotion meeting.

Many problems have been brought up on lawn, shrub, landscaping and gardens.

Approximately 125 thousand strawberry plants were ordered and delivered to growers in the County by 4-H Honor Club members.

Respectfully submitted,

Claude Prince  
 Claude Prince  
 Extension Agent

April 17, 1972

The Sullivan County Department of Public Welfare opened a branch office in Kingsport on April 4, 1972. The office is located at 1200 E. Center Street, in the building formerly used by the John Sevier Junior High School.

People living within Sullivan County, who have Fall Branch, Jonesboro, Kingsport, or Rogersville addresses are being served by the Kingsport office.

The Blountville office continues to serve the people living in Sullivan County who have Blountville, Bluff City, Bristol or Piney Flats addresses.

The Welfare Department has discontinued services at the Douglas School and Neighborhood Service Center in Kingsport, since all programs, including Food Stamps, Public Assistance and Social Services, are now administered at the new location.

Office hours are from 8:00 until 4:30 P. M. Mondays through Fridays.

People wishing to contact the Kingsport office by phone should call the following numbers:

Food Stamp Program	245-0176
Welfare Department	245-0171 or
	245-0172

All mail pertaining to either of the programs should be addressed to the Sullivan County Department of Public Welfare, Blountville, Tennessee until further notice is given.

QUARTERLY REPORT I Richard N. Moore, Director Civil Defense Officer presented his  
CIVIL DEFENSE OFFICE I report for the quarter ending March 31, 1972, which report was  
received and adopted and is in the following words and figures,  
to-wit:

TO THE HONORABLE LON V. BOYD, COUNTY JUDGE, AND MEMBERS OF THE SULLIVAN COUNTY QUARTERLY  
COURT

11 April 1972

The following items represent the major efforts of the Sullivan County Civil Defense Office  
for the first quarter of calendar year, 1972.

Final distribution was made of the joint Community Shelter Plan.

April 17, 1972

A 30 kw generator and a 575 gallon water storage tank were procured from Federal Surplus Property for the Emergency Operations Center in the Civic Auditorium in Kingsport,. One of the 7. 5 kw generators in existence in the Emergency Operations Center was given to the Sheriff's Department. Additional painting and carpenter work was done in the Emergency Operations Center.

A request was made through the Federal Excess Property Program for a helicopter to be used by local law enforcement and other emergency services.

Sixteen (16) active members of the Continental Radio Association in Bristol were trained as Civil Defense Radiological Monitors.

A proposal was made to utilize an existing Federal Communications Commission license for Kingsport in a new communications net work for all of Sullivan County with a potential for a shortwave network that could include all Upper East Tennessee.. This net work would be used by all chief executives and designated key personnel.

A flood warning was disseminated to Scott County, Virginia under existing mutual assistance agreements.

An address was given the Breakfast Civitan Club in Kingsport.

Work was begun on magnetic maps and map symbols to be used in the Emergency Operations Center in Kingsport.

Invitations were mailed to local officials to attend Governor Dunn's Natural Disaster Preparedness Seminar in Johnson City.

Plans were formulated for an Emergency Operations Simulation Training to be held in Kingsport on June 12th.

RESPECTFULLY SUBMITTED,

Richard N. Moore  
Director

QUARTERLY REPORT OF CHARLES F. SIMONIN, INDUSTRIAL DEVELOPMENT AGENCY  
I Charles F. Simonin, Industrial Development Agency,  
I submitted his report for the period ending March 31, 1972  
I and is in the following words and figures to-wit;

REPORT OF SULLIVNA COUNTY INDUSTRIAL DEVELOPMENT AGENCY  
To The  
Sullivan County Quarterly Court  
April 17 , 1972

Since the last regular meeting of the Quarterly Court in January, 121 personal Contacts have been made on major industries in Western Pennsylvania, Northern Ohio, primarily in the Cleveland and Akron Area, Cinicinnati, Ohio and Detroit area.

As a result of these contacts and inquiries from our advertising program, we list 16 bona fide substantial prospects. These are prospects who indicated that they actually do have a project and that East Tennessee is an area of possible consideration.

Since January 20, 25 inquiries have been received as a result of our advertising in various news media. Of these, 5 can be considered prospects. The others are still unclassified as to the sincerity of the inquiry. Brochures have been mailed with appropriate letters and follow-up will be made.

The industries under operation in the Industrial Park, Amerace-Esna and Tennessee CEMCO, are currently employing approximately 120 people. Amerace-Esna reports they

they will commence operations shortly after May 1st. They have been training women in a rented facility in Johnson City since the middle of January. It is anticipated by the end of this year there will be approximately 800 to 1000 people employed in the Industrial Park.

For a considerable time we have been negotiating with the legal department and top management of Amerace-Esna for an agreement on the payment of a "service charge" to be paid to the County Trustee in lieu of taxes. We have been informed by Amerace's attorney that this agreement has been signed by Amerace officials and is currently in the mail to us. Under normal conditions, Amerace-Esna would pay approximately \$330 to Sullivan County for the taxable year 1971 and the estimated tax for 1972 would be in the order of \$28,000.

For the year 1972, The Great American Corporation, owner and Lessor of the building to Imperial Reading, will probably pay approximately \$450, more or less, depending on the tax rate. For the 1973 year, the taxes on this operation, both from Imperial Reading, covering personal property, equipment and inventory, and Great American Corporation, on the land and building, will amount to some \$32,000 to \$33,000 a year. Tennessee CEMCO taxes should amount to approximately \$900 to \$1000 per year.

Respectfully submitted,  
Charles F. Simonin, Agent

QUARTERLY REPORT OF

H. B. MILLER, ANIMAL WARDEN

Y  
I

RESO: IN RE: DRINKING WATER-HOLSTON ELEMENTARY & HOLSTON JUNIOR HIGH SCHOOL

A resolution regarding Drinking Water at the Holston Elementary and Holston Junior High School was introduced to the court by Esq. Hawk and seconded by Esq. Woods and was received and adopted by a voice vote with a 2/3 Majority, with the rules waived and is in the following words and figures to-wit:

BE IT RESOLVED THAT

WHEREAS, deep concern is felt for the safety, health and wellbeing of the students of Holston Elementary and Junior High Schools, and

WHEREAS, the water pressure in the school building is so low, due to insufficient water pressure, that frequently no water is available for most of the drinking fountains and restrooms, and,

WHEREAS, the supplier, Consolidated Utility District, apparently has a complete lack of concern for this problem as they have ignored numerous complaints concerning the condition,

BE IT RESOLVED THAT THE county attorney be instructed to notify Consolidated Utility District in writing of this unsatisfactory condition and request that immediate action be taken to remedy it and

BE IT FURTHER RESOLVED that the County Attorney determine what action can be taken to require the Utility District to correct if they are not moved to immediate action by the written request.
