QUARTERLY REPORT OF SUPT OF SCHOOLS J. Craft Akard, Superintendent of Sullivan County Schools presented his report for the quarter ending March 31, 1971, which report was received and adopted by a voice vote of the Court and is in the following words and figures to-wit:

HONORABLE JUDGE AND MEMBERS OF THE SULLIVAN COUNTY COURT IN SESSI N APRIL 19, 1971, BLOUNTVILLE, TENN. 37617
At the present time I have not submitted recommendations to the Sullivan County Board of Education for the 1971-72 School Budget due to the various educational programs under study by the State Legislature that will affect our local budget.

I would like to discuss the proposed amendments to this years budget (1970-71). It has been a normal procud ure over the years to approve amendments to the current shcool budget prior to the close of the fiscal year as long as surplus funds ffrom the previous year are available in the School fund. Many factors arise during a given school year that warrant these amendments, The proposed 1970-71 amendments to the General purpose Scool Fund and the reasons for the proposed amendments are attached (Appendix A).

Although the total amendments involve expenditures of \$352,000.00, only \$113,000.00 are charged to local funds. These amendments have been approved by the Sullivan County Board of Education and have been

April 19 1971

discusswd with the Court Education Committee who will take action prior to the April term of Court.

In addition to our General purpose School Fund, Federal Public Law 89-10 Funds are deposited in the County Trustee's office and must be budgeted separately. When you approved regular budgets for the 1970-71 school year, you approved a Public Law 89-10 Budget in the amount of \$439,646.00. Since that time we have received an additional \$68,529.00 which will require an amendment to the present funds approved under Public Law 89-10. Amendments are attached (Appendix B). The total budget under Public Law 89-10 including amendments is also attached (Appendix C). Although County Court has no control over how these Federal funds will be spent under Public Law 89-10 Title I and Title II, the County Court must technically approve the funds before we can spend the money. These are Federal guidelines that determine the type of programs for which they money may be used. For your information Public Law 89-10 Title I and Title II funds in Sullivan County pay the salaries of forty-six regular classroom teachers, finance a summer instructional rogram for approximately 1,000 students, provided library books for all children as well as special instructional materials, provide funds to the County Health Department for indigent dental cases, and provide funds on a cooperative basis with two other school systems to finance a summer program for a limited number of special education students.

As in past years, I would like to point out that in comparison with other school systems we feel we have been conservative in the expenditure of funds for current operating expenses, which include all expenses incurred by our school system in a given year with the exception of school construction. According to the State Annual Statistical Report put out by the State Department of Education for the 1969-70 school year (last school year), we spent \$462.00 per child for current school expenditures, whereas the state average was \$511.86. Bristol's expenditure was \$672.80 and Kingsport's \$605.72. If we had spent as much per child as Bristol and Kingsport, our budget would have been increased as follows:

\$672.80 (Bristol)- 511.86- \$160.94 per child in average daily attendance x 17,060 (County Children) = \$2,745,636.40.
\$605.72 (Kingsport) 511.86 = \$93.86 per child in average daily attendance x 17,060 (County children) = \$1,602,251.60.

Since we will be submitting to you in the near future our proposed 1971-72 school Budget, I would like to remind you of the formula for the distribution of the property school tax revenue. Bristol and Kingsport whose residents pay county taxes share in the distribution of the county school tax rate on the basis of the school ration between the county and the cities. The ratio for the past school year was:

System	Student Average Daily Attendance	Per Cent
Sullivan County	17,060	62.115
Kingsport	6,606	24.053
Bristol	3,799	

Last school year Bristol received \$548,061.15 and Kingsport \$984,082.42 from the County Schoo tax rate. This does not include any funds the cities might receive from school bond issues. Distribution of these funds is based on the same formula as the distribution of the current school tax rate.. Please note the attached Schee (Appendix D) indicating the school tax rate including the cities' share from 1960 until the present.

Also attached is a comparison of the School tax rate with other county department budgets for the 1966-69, 1969-70, and 1970-71 fiscal years (Appendix E).

A comparison of the current school expenditures 1969070 per pupil in Sullivan County with a selected number of our neighboring school systems is attached (appendix F). The figures are not devised by me but are taken from the Annual Statistical Report of the State Department of Education for the School year ending June 30, 1970 submitted to Governor Ellington by J.H. Warf, Commissioner of Education. A copy of this book is on file in my office. I would hasten to say that this does not mean that the County

education than we regardless of the source of revenue. I might also point out that according to a research bulletin put out by the Tennessee Education Association, Sullivan County in 1965 ranked first in per capita annual income. We are still either first or second.

In essence we are saying we should not be ashamed to point out to the citizens of Sullivan County that we feel we are doing a pretty good job in the operation of our school system when our expenditures are compared with that of our neighboring school systems. Are we not justified in asking for more money for our schools?

Sullivan County Schools will close Friday, June 4, Even with the days lost on account of snow, we will close the same week as neighboring school systems. Schools will be closed Friday April 9, and Monday April 12, for Easter Holidays.

In order to prevent the loss of school time next fall, we have just completed registration for next year of all students now in school and school schedules have been submitted to our office. This procedure has been followed for many years.

Three of our high schools are involved this school year in an evaluation by a committee representing the Southern Association of Secondary Schools, the highest accrediting agency in the South. Central held their evaluation last December. Sullivan High is scheduled for the week of April 5 and East High for the week beginning April 19. Lynn View and Ketrone were evaluated last year.

Sufficient federal funds under Public Law 89-10 will be available to pay operating costs for our summer elementary program. Summer school for high school students will be financed with tuition provided by students. Elementary summer school centers will be at Sullivan, Lynn Garden, Cedar Grove, Blountville, Bluff City and Valley Pike. Summer school for high school students will be held at Central High School. Both high school and elementary summer schools will start Monday, June 14.

Very truly yours,

J. CRAFT AKARD, Superintendent
Sullivan County Schools

APPENDIX A, B, C, D, E, F, Attached for report.

Sullivan County Health Dept.

 QUARTERLY REPORT Report of the County Extension Agent, J. W. McClain was received and adopted as read by a
 OF voice vote of the Court and is in the following words and figures, to-wit:
 COUNTY AGENT

TO: JUDGE LON V. BOYD AND MEMBERS OF THE SULLIVAN COUNTY QUARTERLY COURT

AGRICULTURAL EXTENSION SERVICE POST OFFICE BUILDING BRISTOL, TENN. 37620 APRIL 12, 1971

This is a brief report from the County Extension Agent for the quarter ending March 31, 1971. The Southern
 Corn Leaf Blight has and still is of great concern to corn growers. Planting resistant varieties is the only
 control and this seed is in short supply. We have used meetings, T. V., radio, newspapers, Extension bulletins
 visits, and office and telephone calls to explain the blight and the type seed to plant, We have also worked

April 19, 1971

closely with local seed dealers on this problem. A special publication, "Alternatives to Corn Silage" has been distributed to silage producers.

We did a survey of corn production practices on a number of farms and used this in preparing our corn plan of work. We also updated our dairy plan of work.

I have worked with the ASCS office in getting out information on the 1971 Feed Grain and Wheat programs and the new Rural Environmental Assistance Program. The tobacco program has been changed by Congress from acreage allotments to pounds allotments and we will assist in getting this explained to growers.

Soil testing has been stressed this quarter. We have mailed 641 sample to the soil testing laboratory since January 1.

We had our DHIA Annual meeting January 28, an Artificial Breeders Association directors meeting January 20 and Annual meeting March 13, and the Tri-State Guernsey Annual meeting February 20. An area dairy meeting was held in Johnson City on February 24 by our U. T. dairy specialists. I have worked closely with the Appalachian Holstein Breeders Association in planning and selecting animals for their first sale on April 10. Five Sullivan County breeders consigned 10 animals.

We have met with directors of the Mountain Breeders and Angus Feeder Calf Sale directors to discuss last years sales and plan for 1971. Dr. Haley M. Jamison, U. T. Animal Husbandman, was here for two beef cattle meetings in February. Information on "Grass Tetant" was distributed to beef cow owners in early January. We have assisted with area registered beef cattle sales.

I do weekly radio program on a Bristol and a Kingsport station and a T. V. program every two weeks on WCYB-TV. As usual, most of my time is spent with individual telephone and office calls and farm visits. These range from a specific question to entire farm planning.

I assisted the 4-H Honor Club in taking orders for and delivering some 135,000 strawberry plants. A large number of questions on varieties, fertilization, setting, weed control etc. were answered.

Respectfully submitted,

J. W. McClain
County Extension Agent

----- o o o o o -----

QUARTERLY REPORT | REPORT OF THE ASSISTANT COUNTY EXTENSION AGENT, CLAUDE PRINCE WAS RECEIVED AND ADOPTED
 | AS READ BY A VOICE OF THE COURT AND IS IN THE FOLLOWING WORDS AND FIGURES, TO-WIT:
OF |
ASSISTANTCOUNTY AGENT |

TO: JUDGE LON V. BOYD AND MEMBERS OF THE SULLIVAN COUNTY QUARTERLY COURT

AGRICULTURAL EXTENSION SERVICE POST OFFICE BUILDING BRISTOL, TENN. 37620 APRIL 12, 1971

The following is a brief report of the Extension Agent for the quarter ending March 31, 1971.

Many calls are coming to our office for assistance in problems relating to shrubs, lawns, trees and fruits and vegetables.

Program on landscaping was supplied to leaders of the following Garden Clubs: Town and Country, Bell Meadows and Rosewood Clubs. Home Demonstration Clubs attended and program supplied were: Twin City and Central Heights.

Leader training meetings of Directors of Angus Feeder Calf Directors were attended and annual meeting of Mountain Breeders Sale members along with several consignors from Sullivan County.

A three day In-Service training on Horticulture was attended in Knoxville.

Also one day In-Service training on forage production, weed control and varieties was attended.

Sullivan County DHIA annual meeting was held with V. D. Parsons, Dairy Specialist from U. T. presenting the annual summary of all herds participating. Agriculture committee meetings at both Bristol and Kingsport Chamber of Commerce. The annual 4-H Finished Steer Show and 4-H Pullet Show and Sale were discussed.

Baby chicks were distributed to forty 4-H boys and girls. A total of 1,825 chicks were placed this year.

The 4-H Clubs were met during February and part of March while Mr. Jon Baker, 4-H Agent in charge was in school. Program for the month was on gardening.

Orders were taken again this year for strawberry plants. The 4-H Senior Clubs did most of the orders. A total of 135,000 plants were secured and delivered to both home gardeners and commercial growers. Record books were collected, summarized and forwarded to Knoxville for all Unit Test Demonstration farms. Also requisitions were submitted for approval for demonstration fertilizer for 1971 crop year. The Guernsey Association held their annual meeting and one Director's meeting was attended at which time the annual field and Junior Sale was planned. A one day fair workshop was attended along with two leaders from Sullivan County Fair Committee. Other meetings attended were: Annual Production Credit Association, Sullivan County Artificial Breeders Association and Farm Bureau Directors. Mr. Jim Pointer, Horticulture Specialist, U. T. Extension Service spent 2 days in county visiting Greenhouse operators. This is a new service from the University and Mr. Pointer is visiting all plant and flower growers to offer assistance in any problems that may be present. Considerable time was spent in answering calls on varieties of crops, corn leaf blight, shrubs, lawns, flowers, trees and small fruits. Approximately fifteen 4-H members and leaders were accompanied to a livestock evaluation conference at University of Tennessee at Knoxville.

Respectfully submitted,
Clude Prince
Assistant Extension Agent

QUARTERLY REPORT } Mrs. Helen R. Stocking, Sullivan County Home Demonstration Agent presented her
 } report and was adopted by a voice vote of the Court and is in the following words
OF } and figures, to-wit:
HOME DEMONSTRATION AGENT }

TO: JUDGE LON V. BOYD AND MEMBERS OF THE SULLIVAN COUNTY COURT
AGRICULTURAL EXTENSION SERVICE POST OFFICE BUILDING BRISTOL, TENN. 37620 APRIL 12, 1971

The following is a brief report of the Home Economics Extension Agent for the quarter ending March 31, 1971. The bulk of my time in January and February was spent in preparing and presenting a television series on drapery making. Written materials were sent to nearly 3,500 women in five state area who requested it. After the twelve lessons were completed a survey form was prepared and mailed to all those who had requested the drapery information. A survey of 30 home demonstration club member was made to determine their practices in the area of buying and caring for home furnishings. This information will help determine furnishings program in the county over a five year period. A plan of work for July 1, 1971 through June 30, 1972 was made. Meetings were held with the Kingsport Chamber of Commerce Agriculture and Dress Revue Committees to formulate plans for upcoming events sponsored by them. A class in clothing construction is now under way to teach interested mothers of "head start" children how to sew. Assisted with the 4-H bread baking event. Gave a program on beef buying for the Insurance Women of Kingsport. Met with area dietitians to make plans for a nutrition service committee. The purpose of this group is to make themselves available to answer questions from the public regarding any phase of nutrition. Mrs. Saylor, county nutritionist, introduced the service on a TV program- other publicity will follow. In addition to the above, the usual activities of attending home demonstration Clubs, preparing news columns, radio programs, and office duties were performed.

Respectfully submitted,
Mrs. Helen R. Stocking
Extension Agent

QUARTERLY REPORT MISS PATRICIA BOWLING, ASSISTANT SULLIVAN COUNTY HOME DEMONSTRATION
 OF AGENT PRESENTED HER REPORT AND WAS ADOPTED BY A VOICE VOTE OF THE COURT
 ASSISTANT HOME DEMONSTRATION AGENT AND IS IN THE FOLLOWING WORDS AND FIGURES, TO-WIT:

TO: JUDGE LON V. BOYD AND MEMBERS OF THE SULLIVAN COUNTY QUARTERLY COURT

This is a brief report from the two Assistant Agents, doing 4-H Club work, for the quarter ending March 31, 1971.

January began on a note of concentrated effort for a six week drapery series on Open House WCYE-TV. Pat Bowling and Helen Stocking conducted the series which continued throughout February.

Pat judged the Arts and Crafts contest for the Junior Women's Club of Bristol.

Local breadbaking contest were conducted in 46 local 4-H Clubs with 237 4-H'ers participating.

Tommy Wagner of Blountville and Barbara Henninger of Bristol received award trips at a weekend conference in Nashville. Barbara was one of four selected to attend National 4-H Conference in Washington, D. C. this April. Tommy will attend the American Institute of Cooperatives in Fort Collins, Colorado in August.

A day was spent in Greenville for 4-H In-Service training.

Clude and Jon spent a day in Morristown planning for 4-H Camp.

Arrangements were made with 4-H'ers, feed dealers and sponsors concerning the Chick-Chain and orders were placed for 1,825 chicks.

Jon and Pat attended the YF&H meeting.

The remainder of January was spent in meeting with 4-H clubs in the county.

The Sullivan County Breadbaking contest was held February 20 with 56 girls entering biscuits or muffins.

Over 200 people attended the event.

A day was spent in Morristown planning District V Girls Camp.

We received 1,825 baby chicks in February, which were distributed to the 4-H Chick-Chain members.

Over 3,000 people received free literature in connection with our drapery series in February.

The local contest for Public Speaking participants was held in the local clubs throughout February.

Tommy Wagner was selected the state winner in Youthpower (a food related activity). He will attend the Youthpower Congress in Chicago April 1-3.

Jon was enrolled in graduate school at the University of Tennessee during February and the first week in March.

Jon checked with six 4-H'ers who had calves for the Bristol Steer Show and Sale.

Jon and Pat spent two days planning the Sullivan County Plan of Work and Plan of Work Projection for 1971-72.

Jon visited the remaining sponsors for the 4-H Chick-Chain.

The County Public Speaking Contest was held in Blountville March 11. Fifty-five 4-H'ers gave speeches with approximately 200 people attending.

We participated in District Public Speaking, Citizenship and History Bowl Quiz in Knoxville. Seven of our county winners were in the blue group. David Latture of Blountville won the District History Bowl Quiz.

We attended the annual meeting of the Dairy Council in Kingsport March 9.

Pat attended a one day planning session in Knoxville for District V Leadership Conference to be held this summer.

We supervised the executive meeting of the County Honor Club and the regular meeting.

Plans were made for the summer exchange trip to Massachusetts.

We conducted a training meeting for the county's volunteer leaders in Blountville.

We attended a beef cattle judging workshop in Knoxville March 26.

Pat and Jon attended the monthly meeting of YF&H.

Jon attended the annual PCA meeting.

Plans were finalized for State 4-H Congress delegates. Sullivan County had 5 delegates.

Jon and an honor club member spent a Saturday helping the 4-H Honor Club transport the 135,000 strawberry

QUARTERLY REPORT OF SULLIVAN COUNTY SERVICE OFFICER REPORT OF THE COUNTY SERVICE OFFICER GEORGE K. BLANKENBECKLER WAS RECEIVED AND ADOPTED AS READ BY A VOICE VOTE OF THE COURT AND IS IN THE FOLLOWING WORDS AND FIGURES, TO-WIT:

Oliver Grahal	- 9.00		

All recipients are residents of Sullivan County.

Respectfully submitted,

George K. Blankenbeckler
Sullivan County Service Officer

QUARTERLY REPORT OF TAX RELEASE COMMITTEE The Tax Release Committee for Sullivan County presented their report for the quarter ending March 31, 1971 which report was received and adopted by a roll call vote of the Court and is in the following words and figures, to-wit:

TO THE HONORABLE SULLIVAN COUNTY COURT, BLOUNTVILLE, TENNESSEE, APRIL TERM, 1971

We, your Tax Release Committee, having met in the Trustee's office April 15, 1971, wish to submit the following recommendations for the approval of the Court:

1. That Lynn Hobbs of the 5th Civil District be released for the years 1969 and 1970 on a value of \$1600.00 on a personal property tax on a trailer, as he also was assessed in the 18th District on the same trailer.
2. That Larry Hawk of the 2nd District be released on a value of \$590 for the year 1970, which is 1/2 of the assessment on a trailer. This is for one-half of the year, as he bought tags in July, 1970 TN-3836.
3. That Jerry Leonard of the 5th District be released on a value of \$1600 for the year 1970, which was for a personal property tax on a trailer. He bought tags in February, 1970, TN-5070.
4. That Bill Hickman of the 6th District be released on a value of \$220 for the year 1970, on a lot 50 X 67 feet, as it was doubly assessed also to Howard N. Leonard.
5. That Kyle Christian of the 7th District be released for the year 1970 on a value of \$1600.00 personal property on a trailer, which was also assessed to Essie E. Christian Morse, and paid in that name.

April 19, 1971

6. That M. & H. Development Co. be released for the year 1969, on a value of \$5220 on Lot 5, Blk. I, Briarwood 7th District, as the lot was assessed with a house which was on Lot 4.
7. That Harold Calfee of the 10th District be released for the year 1970 on a value of \$1600.00 on a personal property tax on a trailer. He bought tags, TM - 5115.
8. That Kenneth Carter of the 10th District be released for the years 1969 and 1970 on a value of \$1340.00 for 1969, 1600.00 for 1970. This is an assessment on a trailer which was included in the real estate assessment, and also assessed on a personal property tax to his wife, June D. Carter, and paid in that name.
9. That Kenneth Bowles of the 11th District be released for the year 1970 on a value of \$1600.00, personal property tax on a trailer. He bought tags, TM-5157.
10. That William Schirmer, Jr. of the 11th District be released for the year 1970, on a value of \$13,900.00 on Lot 17, Preston Woods Add. as he was also assessed as William Shirmer, Jr., which constitutes a double assessment.
11. That Blanche M. Rigby and Eloise M. Schwartzman of the 11th District be released for the year 1970 on a value of \$1750.00 on Lot 21, Blk. A. Oakwood Forest. The house was not complete on January 10, 1970 and was assessed as complete.
12. That Mrs. Mabel Timmins of the 11th District, Outside, be released for the year 1969 on a small tract of land, which she had sold. She sold the entire tract but through error the Tax Assessor left her with a small tract, which was assessed for \$380.00, therefore the release is for \$380.00.
13. That A. A. Fleming of the 12th District be released for the year 1970 on a value of \$690.00 on Lot 9, Blk. 17, West View, as the house was destroyed but was not corrected on the Tax Assessor's records.
14. That Gilbert Kilgore of the 12th District be released for the year 1970 on a value of \$320.00 on Lot 63, Morrison Heights, as he was assessed with a trailer which was moved from the property and should not have been assessed for 1970.
15. That F. K. Spears of the 12th District be released for the year 1970 on a value of \$1340.00 which was an assessment on a trailer. This was included with his real estate assessment, and should not have been included as he sold the trailer and it was moved from the property early in 1970.
16. That Everette Shelton of the 13th District be released for the year 1970 on a value of \$1200.00 as he was assessed with a trailer located on his property. This release is requested because he bought tags for the trailer.
17. That Joe Ward of the 13th District be released for the year 1970 on a value of \$990.00 on a personal property tax on a trailer. He bought tags- TM-2930.
18. That Theodore Cunningham be released for the year 1970 on property in the 16th District in the amount of a value of \$120. He was assessed with a small tract of land which he did not own, but was transferred to him in error.
19. That Bobby Gentry of the 16th District be released for the year 1970 on a value of \$550.00. This assessment was on a personal property tax on a trailer which was sold in December 1969, but due to bad weather it could not be moved until March, 1970, and the trailer was assessed.
20. That Robert F. James of the 16th District be released for the year 1970 on a value of \$190.00, due to an error in computing his taxes.
21. That George L. Plank of the 16th District be released for the year 1970 on a value of \$1600.00 on a trailer which was assessed with his real estate assessment. The trailer does not belong to George Plank and should not have been assessed to him.
22. That Master Sgt. Bobby T. Richardson of the 17th District be released for the year 1970 on a portion of his personal property assessment on his trailer, as he only owned it four months and it was sold when he left for the Army. This release is for \$1067.00.
23. That Cecil J. Phillips of the 17th District, Outside, be released for the year 1970 on a value of

\$1330.00, as the house was torn down but the assessment was not changed.

24. That B. J. Hoss of the 21st District be released for the year 1970 on a value of \$2650.00 on Lot 3, Blk. C. Holston View, as the house was not completed on January 10, 1970 but was assessed as completed.

25. That H. S. Morton of the 21st District be released for the year 1970 on a value of \$2190.00, due to an error by the Tax Assessor in computing the taxes as the wrong value was put into the machine.

26. That William Rodgers of the 16th District be refunded in the amount of \$32.48 for taxes paid on a trailer for the year 1969. He did not realize he did not have to pay the taxes when he had bought tags also, and he bought tags, TM-2085, in Jonesboro, Tennessee. This was verified by the Tax Assessor by telephone to Jonesboro.

27. That Clyde Groseclose, Trustee, be released on the following amounts on 1969 taxes filed in Chancery Court:

Delinquent Real and Personal property \$147,602.76
Delinquent Utilities 1,223.41

Respectfully submitted this 19th day of April, 1971.

QUARTERLY REPORT
CIVIL DEFENSE

Richard N. Moore, Director Civil Defense Office presented his report for the quarter ending March 31, 1971, which report was received and adopted by a voice vote of the Court and is in the following words and figures, to-wit:

TO THE HONORABLE LON V. BOYD, COUNTY JUDGE, AND MEMBERS OF THE SULLIVAN COUNTY QUARTERLY COURT,
April 12, 1971

The following items represent the major efforts of the Sullivan County Civil Defense Office for the first quarter of calendar year, 1971.

The Kingsport Civil Air Patrol Squadron received training from the State Radiological Defense Officer enabling them to qualify as Aerial Monitors. This training would be used to check radiation levels in East Tennessee through the use of aircraft in the event of a nuclear emergency. The Kingsport Civil Air Patrol group is the first such unit to be trained in this field in East Tennessee.

A simulated Emergency Test Exercise was conducted in Kingsport utilizing members of the American Radio Relay League, the American Red Cross, the City of Kingsport, Civil Air Patrol, Holston Valley Community Hospital, Meade Corporation, Kingsport City Schools and more than one hundred (100) volunteers. The exercise was conducted to determine the response in the event of a local disaster was held in conjunction with the annual nation-wide communication test held by Amateur Radio Operators.

Bristol Virginia-Tennessee conducted their first joint Civil Defense preparedness exercise in their new Emergency Operations Center that serves as the Bristol Virginia Safety Building.

The Emergency Operations Simulation Training was attended by more than sixty (60) persons led by Virginia Mayor H.L. Littleton and Tennessee Mayor Jere King. Also attending were representatives of the federal government, States of Virginia and Tennessee, Washington County, Virginia, Sullivan County, Tennessee plus several Southwest Virginia towns and counties.

The exercise, conducted by the University of Tennessee Civil Defense Extension Division, was termed a success by the federal and state observers and was the first of its kind that embraced a common operation area for two cities, two states and two federal civil defense regions.

The Region Three Civil Defense Council meeting was attended in which reports were given concerning the new emphasis civil defense is placing on national disasters.

Plans were made to connect the Tri-City Weather Bureau with the Bristol Virginia Emergency Operations Center for direct warning to Southwest Virginia in the event of severe weather conditions.

An inventory, replacement, and recalibration of all radiological monitoring devices was begun with the assistance of the State Radio Logical Defense Maintenance Shop.

S shortwave antenna was installed at the Bristol Emergency Operations Center to facilitate local communications in the event of an emergency.

The Annual Oak Ridge National Laboratory Civil Defense Research Project was attended at the Union Carbide facility at Y12. Included in the reports by various scientists were methods of hasty fallout shelter construction, the effects of electromagnetic pulse on radio transmitters and receivers under fallout conditions, utility systems analysis and the urban use of waste heat from a nuclear reactor.

Respectfully submitted,
RICHARD N. MOORE, DIRECTOR.

Adopted by a roll call vote of the Court and is in the following words
and figures, to-wit:

TO THE HONORABLE LON V. BOYD, JUDGE AND MEMBERS OF THE SULLIVAN COUNTY QUARTERLY COURT
RESOLUTION IN RE: REAPPORTIONMENT OF THE SULLIVAN COUNTY BOARD OF EDUCATION

Whereas at the January 19, 1970 meeting the Sullivan County Court approved the need
to reorganize the County Board of Education School Districts to comply with the Fourteenth Amendment of the
Federal Constitution; and whereas the Sullivan County Court sent the Resolution (a copy is attached) showing
the existing inadequacies to the Education Committee and the Board of Education for action; and whereas,
the Education Committee reported the Resolution back with no action at the Sullivan County Court meeting of
July 21, 1970, and whereas the Court voted to reapportion the County for new school districts to meet require-
ments (res, 35.5)

BE IT RESOLVED THAT the Sullivan County Court requests the Tennessee Legislature meeting
in its 1971 session to provide appropriate private acts for Sullivan County to elect a new County Board of
Education to comply with the "one man, one vote" concept of the Federal Constitution.

BE IT FURTHER RESOLVED that the Sullivan County Judge or his designated authority
ask the Sullivan County elected legislators to present this request to the Tennessee State Legislature for
action and passage of appropriate private acts with all expediency, to provide sufficient time for election
of a new County Board of Education prior to the close of the 1970-71 School year.

BE IT FURTHER RESOLVED That the private acts contain the following provisions;

A. Qualifications of Candidates

In addition to the qualifications each citizen must meet for holding an elected
office in Tennessee, a candidate must be a resident of the School District for which he is a candidate for
the Board of Education and must have been a resident of Sullivan County for two (2) years prior to the
election date.

B. Time of Office

A member of the County Board of Education can serve only two (2) consecutive terms.
This includes full or short terms whether elected or appointed. A person who has served two terms on the
Board may become a candidate again after a time from office equal to that of the time for a full term.
A full Term is defined as 6 years.

C. Electors

Qualified voters of the respective School Districts are eligible to vote and select
their representative.

D. Duties of the Sullivan County Board of Education

1. To become familiar with appropriate state and federal laws and regulations as they
apply to the operation of the schools of Sullivan County.
2. The Board will also review, analyze, and report to the appropriate County Court
Committee all proposed and new programs related to the education curriculum in the County School system.
This report will include (1) the source of the suggested course, (2) the need and objective for the pro-
posed course, (3) the means to measure the effectiveness of the course, (4) the estimated cost of the course
which will include the monies funded from sources outside the County, (5) the cost of the county if the "outside"
funding is discontinued. The secretary of the Board will be responsible for filing the report with the Court
at its first meeting of each calendar year or as the Board directs.
3. The Board will elect a chairman and a vice-Chairman from its members. The terms
of chairman and vice-chairman will be for a two year period. A person elected to either office can serve
only two (2) consecutive terms and cannot succeed himself or hold the other office for a two year term.

April 19, 1971

4. The Secretary of the Board will be the Superintendent of Sullivan County Schools.

E. Vacancies

When a vacancy occurs on the Board by death, resignation, change of residence from the school district he represents, no attendance at five (5) consecutive meetings of the Board or otherwise, such vacancy shall be filled in the following manner.

If two (2) years or less remains on the term to be filled, then the County Court shall elect a temporary member for the Board who resides in the required school district and meets other requirements. This board member, temporarily elected by the County Court, must stand for election by voters in his district at the next county, state, or federal general or special election.

A special election shall be held as soon as possible in the applicable district if more than 2 years remains on the term of the created vacancy.

F. Compensation of Board Members

The compensation of the Board members shall be \$175.00 per annum and the Chairman of the Board shall receive \$200.00 per annum. No other compensation shall be paid to the Board members except as directed by the County Court.

G. Meetings

The Board shall meet at the call of the Chairman and at least once per month during the school year and twice in the summer. If the school year evolves into a twelve month or four quarter schedule, then the Board will meet monthly year round. Monthly meetings will be scheduled and the schedule will be published in the leading papers of Sullivan County at the beginning of the school year and posted on the bulletin board of all schools. Also each child will be given a schedule for his or her parents edification.

The Board meetings shall comply with other appropriate state statutes.

H. School Districts

Sullivan County shall be divided into three (3) school districts and from each district three members of the Board will be elected (Reference is made to Public Acts 1961, Chapter 262) The districts are aligned as follows:

School Districts	Civil Districts	Total registered voters
1	10 and 11	17,161
2	6,7,8,9,12,13,14,15,18 and 20	16,615
3	1,2,3,4,5,16,17,19, 21 and 22	17,455

This provides school districts proportioned to within 5% of the mean of 17,361 registered voters based on the September 1970 number of registered voters of Sullivan County. (A copy of the registered voter list is attached.)

For the initial election of the new board, the three (3) candidates from each district receiving the highest number of votes shall be elected. The candidate from each district with the highest number of votes will be elected to a full term. The candidate from each district with the next highest number of votes will be elected for a four (4) year term (short term) and the candidate from each district receiving the next highest number of votes shall be elected to a two (2) year term (short term). Election for full term will follow the short term as shown in the above mentioned Public Act of 1961.

I. Future School Boards to Meet Population Profile of the County

The Board will prepare for the Sullivan County Court's consideration and action, a plan for a new school board that will reflect the population profile of the County as of July 1, 1980. This plan will be presented to the court at the regular scheduled meeting in July, 1980 or the next meeting.

J. Termination of School Board

population profile of the county.

K. This act will rescind previous private acts related to this subject which included Private Acts of 1933, Chapter 418, paragraph 1,2,3,4,5, and 6 and Private Act 1937, Chapter 799 paragraph I. and other applicable acts.

RESO: IN RE: INCREASE IN CHILD | Resolution to increase appropriations in amount of \$2,200 in child
WELFARE, IN AMOUNT \$2,200 TO MEET | welfare to meet the needs for remainder of 1970-71 fiscal year was
NEEDS OF FISCAL YEAR 1970-71 | introduced by Esq. J. Myers and adopted by a roll call vote of the
Court and is in the following words and figures, to-wit:

TO THE HONORABLE LON V. BOYD, JUDGE AND MEMBERS OF THE SULLIVAN COUNTY QUARTERLY COURT

CHILD WELFARE APPROPRIATION

BE IT RESOLVED THAT we are, therefore, requesting an additional appropriation of \$2,200.00 to meet the needs for the remainder of the 1970-71 fiscal year. The child Welfare appropriation for 1970-71 was \$30,000.00. Total expenditures as of February 28, 1971 amounted to \$21,173.94, leaving a balance on hand of \$8,826.06. Be it further resolved that during the past eight months our expenditures have been running almost \$1,700.00 per months as a result of increased board and clothing rates. Increased expenditures have also resulted from continual rising medical costs. We are presently providing care to twenty children from whom long-term care is anticipated with little hope of other resources becoming available for these children. Due to these additional expenses, the present appropriation of \$30,000.00 will not be sufficient to meet anticipated expenditures for the remainder of this fiscal year.

RESO: IN RE: RESURFACING Resolution that the Sullivan County Quarterly Court approve the attached
ROAD IN INDUSTRIAL PARK agreement that the State of Tennessee resurfacing the present road through
the Tri-City Industrial Park from State Route 34 to County road was received
and adopted by a two-thirds vote of the Court and is in the following words and figures, to-wit:

TO THE HONORABLE LON V. BOYD, JUDGE, AND MEMBERS OF THE SULLIVAN COUNTY QUARTERLY COURT IN REGULAR SESSION
MET THIS THE 19th DAY OF APRIL, 1971.

BE IT RESOLVED THAT The Sullivan County Quarterly Court approve the attached agreement in regard to the
State of Tennessee resurfacing the present road through the Tri-County Industrial Park from State Route 34
to county road. Length of project is 1.7 miles.

INDUSTRIAL ACCESS ROAD AGREEMENT

This AGREEMENT made and entered into by and between the STATE OF TENNESSEE through its Department
of Highways, hereinafter called "DEPARTMENT" and SULLIVAN COUNTY, hereinafter called "COUNTY".

W I T N E S S E T H:

WHEREAS, the Department has tentatively allocated certain funds for the construction of the
following described Industrial Access Road in the COUNTY of SULLIVAN, Tennessee, known and designated as
Project No. 82945-BA06-04 provided said COUNTY will cooperate with said Department by acquiring the right-of-
way for the same:

The State to resurface the present road through the Tri-Cities Industrial Park, from State Route
34 to County Road. Length of project is 1.7 miles.

WHEREAS, said COUNTY has furnished the State with proof that the its application for an Industrial
Access Road was approved by resolution, No. _____, dated the 13th day of July, 1970.

NOW, THEREFORE, it is agreed by and between the parties hereto as follows:

1. The COUNTY agrees that it will acquire the rights-of-way and easements shown on the blue prints
which accompany this agreement in accordance with the provisions of Public Acts of 1959, Chapter 264, said
rights-of-way to be free of obstructions, buildings and improvements, and said rights-of-way to be acquired
without cost, now or hereafter, to said department or the State of Tennessee; and
2. The COUNTY agrees in the event of the institution of any actions at law in accordance with the
authority contained in Section 23-1423, Tennessee Code Annotated, the same shall be defended by COUNTY, and
any judgments resulting therefrom shall be considered as a consequence of the failure of the COUNTY to acquire
the rights-of-way in full and accordingly shall be paid by the COUNTY.
3. The COUNTY agrees to save said Department and the State of Tennessee harmless from any and all
claims or suits which may be brought by reason of the Department's going upon said rights-of-way and the land
covered by said easements and taking the same for the purpose of constructing said project, and by reason of
the Department's changing the grade and widening the existing highway; and
4. The COUNTY agrees to remove or adjust, or have the owners of the same remove or adjust all tele-
phone, telegraph, light and power poles or towers, and all water, gas and sewer mains or pipes or any other
facilities of any nature or description which may be necessary for the construction of said section of pro-
ject, and will make or require abutting property owners to make such sewer, water and gas connections as may
be necessary or desirable in advance of the laying of any pavement upon said project, and to secure permits
for, and to assume the cost of any installation or re-installation of any railroad grade crossing and
any signalization required, all without cost, now or hereafter, to the State of Tennessee or said Department.

FURTHER, the Department will, as soon as practicable after this agreement is executed
and the necessary rights-of-way are acquired, either take bids for the construction of said project, and
construct the same, or construct said project with State forces.

Said project is an Industrial Access Road and not on the State System of Highways
and it is expressly agreed that after the construction is completed and all work performed under the

section of road and will at all times keep it in a state of repair satisfactory to the State.

In case of failure of the COUNTY to maintain the same in accordance with reasonable standards established by the Department of Highways, the latter may take over the maintenance of said road and change the cost thereof to any of the COUNTY funds in its hands or thereafter coming into its hands.

The State Highway Department will not share in the cost of constructing any part of an Industrial Highway within an Industrial Site or Park or privately owned tract of land unless (1) such part is a link in a highway serving areas beyond such Industrial Park or privately owned tract of land and (2) in which case the right-of-way or easements shall be conveyed to the State Highway Department as in the case of other highways.

The location and routing of said project, the names of the property owners at the time of the making of the survey, the location and extent of the right-of-way to be taken from each property owner, the improvements to be affected by the construction of said project, the building to be removed, the grade of the proposed highway and the grade of the present highway, and the above referred to telephone, telegraph, light and power poles or towers are shown in detail on the blue prints which accompany this agreement.

IN WITNESS WHEREOF, the parties hereto have caused this agreement to be executed on this the _____ day of _____ 19____.
