5. RESOLUTION IN RE:

SALES TAX

RESOLUTION OF THE SULLIVAN COUNTY COMMISSION
FOR AMENDMENT OF LOCAL SALES TAX RESOLUTIONS
AND TO LEVY AN ADDITIONAL SALES AND USE TAX
FOR SULLIVAN COUNTY, TENNESSEE

BE IT RESOLVED by the Board of County Commissioners of Sullivan
County Tennessee:

SECTION 1. The resolution of the Quarterly County Court of Sullivan
County, Tennessee, imposing a local sales and use tax as authorized under
the provisions of Section 67-3049 through 67-3056, of the Tennessee Code
Annotated, adopted by the Court at an Adjourned Session on February 14, 1966
of record in Minute Book 2, page 179-80, and amended at an Adjourned Session
on September 1, 1972 of record in Minute Book 4, page 86, is amended to levy
a local sales and use tax at a rate of one-half (1/2) of the rates levied in
the Retailer's Sales Tax Act, chapter 30, title 67, Tennessee Code Annotated
as amended, so long as the general state rate continues at 4.5 percent, and
at three-fourths (3/4) of the state rates if and when the general state rate
is reduced to 3 percent and on farm and industrial machinery and on water
sold to or used by manufacturers at the rate of one-half of 1 percent, and
to maintain the maximum tax on the sale or use of any single item at \$7.50.

SECTION 2. IF a majority of those voting in the election required by
Section 67-3053, T.C.A., vote for the increase in the tax imposed by this
resolution, collection of the increased tax levied by this resolution shall
begin on the first day on the month occurring 30 or more days after the
county election commission makes its official canvass of the election returns.

SECTION 3. The Department of Revenue of the State of Tennessee shall collect the additional tax imposed by this resolution concurrent with the collection of the state tax and the local tax now being collected for Sullivan County, in accordance with rules and regulations promulgated by the said Department.

SECTION 4. The County Executive is hereby authorized to contract with the Department of Revenue for the collection of the additional tax imposed by this resolution, and to provide in said contract that the Department may deduct from the tax collected a reasonable amount of percentage to cover the expense of the administration and collection of said tax.

SECTION 5. In the event the tax is collected by the Department of Revenue to the said Department of Revenue by the County Clerk forthwith and shall be published one time in a newspaper of general circulation in Sullivan County prior to the election called for in Section 2 hereof.

6. RESOLUTION IN RE:

WATER LINES & FIRE HYDRANTS

BE IT RESOLVED THAT:

SUGGESTED POLICY FOR
WATER LINE EXTENSION, SIZE OF WATER LINES
AND
INSTALLATION OF FIRE HYDRANTS

With the ever increasing subdivision development in Sullivan County and due to the lack of past policy to govern the installation of proper size water lines and fire hydrants, urbanization has taken place and is continuing to take place without sufficient facilities to provide for adequate fire fighting. Even though Sullivan County has what is recognized as one of the best Volunteer fire fighting units in any county in Tennessee, their efforts are often frustrated because of the absence of fire hydrants and/or inadequate water lines. It is suggested, therefore, that Sullivan County, incorporated cities, and the various utility commissions work together to insure that any future installation of these facilities by land developers or utility commissions be of sufficient size and properly located in order to meet the fire fighting needs of Sullivan County. This policy would reduce the risk of heavy loss due to fire. The following policies are suggested in order to meet these objectives:

1. All major construction, reconstruction and changes in any water distribution system shall be reviewed and approved by the County. This policy shall cover subdivision installations, extensions to subdivisions, extensions to serve unplatted property and replacement mains. It shall not include routine maintenance to the system.
2. That each utility commission coordinate its efforts with the County and other utility commissioners by the exchange of plans for major improvements within the utility system.
3. That the utility district review proposed developments prior to construction and indicate size and location of improvements including water and sewer mains and laterals, fire hydrants, valves, catch basins and manholes and extension within the property boundaries to facilitate future developments.
4. That the utility commission indicate satisfactory completion of these facilities to meet these standards by means of a signature on the final subdivision plat.
5. That the planning commission refuse final plat approval until number four (4) is evidenced.

6. That a minimum six inch water line and fire hydrants shall be required in the development of all new subdivisions unless the subdivision is an existing street supplied by water service. Two inch lines may be placed in dead-end or loop streets or in other areas provided that no building is no more than 600 feet from any six inch water line or fire hydrant.
7. That all water line extensions to subdivisions, extensions to serve unplatted property, and replacement mains shall be a minimum of six inch unless otherwise approved by the county.

RESOLUTION electing to qualify
County under the provisions of Tennessee
Code Annotated, Sections 7-60-101 et. seq.
providing for return of unused allocation.

WHEREAS the Mortgage Subsidy Bond Tax Act of 1980 (the "federal law") imposes limitations on the aggregate amount of mortgage subsidy bonds which may be issued within the various states by providing for a state ceiling in each of the various states for each calendar year; and

WHEREAS Title 7, Chapter 60, Tennessee Code Annotated (the "Act"), has been amended by Chapter 504, 1981 Public Acts to provide in Section 7-60-102(f) that the state ceiling applicable to the state for any calendar year shall be allocated among the governmental units in the state in accordance with Tennessee Code Annotated, Section 13-23-121(d); and

WHEREAS Section 13-23-121(d), Tennessee Code Annotated, as added by Chapter 505 of the 1981 Public Acts, provides that the Tennessee Housing Development Agency (the "Agency") shall be allocated the entire amount of the state ceiling for the issuance of mortgage revenue bonds under the federal law; provided that the Agency shall reallocate a portion of the state ceiling to counties which elect to qualify under the provisions of the Act; and

WHEREAS pursuant to resolution of this Board of County Commissioners, _____ County elected to qualify under the provisions of the Act during the calendar year 1982; and pursuant to such election was reallocated a portion of the state ceiling for such year; and

WHEREAS the County has not issued any bonds pursuant to such 1982 reallocation and with present market conditions and restrictions in the federal law making the issuance of such bonds by all public bodies extremely difficult, it appears that the 1982 reallocation may not be used by the County; and

WHEREAS it is desirable to return such 1982 allocation to the Agency as permitted by the Act;

NOW, THEREFORE, Be It Resolved by the Board of County Commissioners of _____ County, Tennessee (the "County"), the amount of the state ceiling for the calendar year 1982 heretofore reallocated to the County shall be returned to the Agency and the County Executive is hereby authorized to give the Agency written notice of such return.

Be It Further Resolved that this resolution shall take effect from and upon its passage, the public welfare requiring it.
