RESOLUTION IN RE: Department of Human Services Child Welfare Fund

BE IT RESOLVED THAT

The Sullivan County Department of Human Services Child Welfare Fund is respectfully requesting a \$14,000.00 supplement for Fiscal Year 1977-78. Actual expenditures for the first 7 months of Fiscal Year 1977-78 is \$27,592.75. We anticipate an average expenditure of \$15,810.90 for the remaining five months of the current Fiscal Year. Without any additional funds, we would exceed our approved budget of \$30,000.00 by \$13,433.65. We feel the \$14,000.00 supplement request is necessary and reasonable due to an increase in children coming into foster care who do not qualify for funding other than local funds. In addition, we have had to pay more and higher medical bills that have not been covered by Medicaid benefits. More children are living in private foster homes as opposed to the Sullivan County Youth Center and therefore, more board payments have been necessary. We requested a budget of \$32,000.00 for the Fiscal Year 1977-78 and the request was cut by \$2,000.00.
