BUSINESS TAX ACT OF 1971

The recent Legislature enacted Chapter 387, Public Acts of 1971, known as the Business Tax Act, to become effective as of June 1, 1971. This bill received approval as of that date and repealed the numerous privilege licenses and taxes that had been imposed upon more than 200 business classifications, such as retail tobacco, butcher, barber shop, beauty shop, etc., It also provided that in lieu of the old privilege taxes each county may levy taxes under this new law not to exceed the amounts specified in the Act. The Quarterly County Court of Sullivan County is adopting the provisions of this Public Act and such action subjects persons engaged in retail businesses or services to the local levy. In general, the Act imposes a minimum tax and fee on most businesses and services of \$17.50 per year. Persons engaged in retail businesses and those furnishing certain services are required to pay this tax at the county level. Wholesale establishments are required to pay the minimum tax directly to the State Department of Revenue. Firms selling both wholesale and retail should make application to both the State and County and divide future tax payments if the retail sales amount to more than 20% of the total sales.

In addition to the minimum tax or "Beginning License", all persons engaged in businesses enumerated in four classifications are required to pay to Sullivan County a gross receipts tax based upon varying percentages depending upon the type of business conducted, with the dominant sales or activity being the controlling factor.

Retailers are enumerated in four classifications and are required to pay an annual tax of 1/5 of 1%, 1/10 of 1%, or 1/15 of 1% of gross receipts, and due dates are November 30, January 31, or the last day of February, also depending on business classification.

After receipt of the initial applications and tax payments, the office of the County Court Clerk should be in a position to determine proper classifications, tax rates and due dates for all concerned. The office of County Court Clerk will try to answer your specific questions as they arise.

Of further interest is the fact that your minimum payment, or portion thereof, plus the local portion of any unexpired balance of a privilege license may be used as a credit against your gross receipts tax payments, up to the maximum amount due.

A very important provision of this Act is the timing and procedure for obtaining a license and for ending a license. Existing businesses must make application and purchase the "Business Tax License" within 20 days of adoption of this act. New businesses must make application and purchase the "Business Tax License" within 20 days of the commencement of business activities. When a business is being sold or closed the owner has 15 days to declare the gross receipts and make settlement with the County Court Clerk. Any buyer of an established business is liable for the taxes owed by the seller if the seller fails to make the final settlement.

Taxpayers are reminded this is a new State law with very little flexibility, also, that the penalty provisions are more severe than on the old privilege license system that was in effect for so many years.

AMENDMENT #1

Recommended at Study by this body be continued to alleviate inequities with written recommendations at the January Term. The Study be conducted by the Executive, Budget and Fiscal committees.

Items of special interest are exemptions, listed under classification III, Section II, Section 13, Also the inter county business.

RESO: IN RE: REAPPORTIONMENT OF SULLIVAN COUNTY COURT Resolution to Reapportion Sullivan County Court was Introduced to the Court by Esq Barr, second by Esq Phillips and duly adopted by a roll call vote of the

Court and is in the following words and figures to-wit:
TO THE HONORABLE LON V. BOYD, JUDGE, AND MEMBERS OF THE SULLIVAN COUNTY QUARTERLY COURT
IN REGULAR SESSION MET THIS THE 19th DAY OF JULY, 1971

RESOLUTION IN RE: _____

BE IT RESOLVED THAT
The Sullivan County Quarterly Court Reapportion itself, pursuant to the one man-one vote rule as laid down by the Supreme Court of the United States and by virtue of the laws of the State of Tennessee. per the attached plan which is made apart hereof.

SEPTEMBER 9, 1971

July 19, 1971

Dear Squire:

Attached for your consideration is a plan for reapportioning the Sullivan County Quarterly Court. As you are aware, we must reapportion ourselves before January 1, 1972. Since October 18 is the only regularly scheduled meeting for Quarterly Court before the deadline, it will be necessary to adopt a reapportionment plan on that date unless a special meeting is called.

In preparing this plan the Executive Committee found it necessary to make certain changes in the plan adopted by the previous Quarterly Court on December 16, 1968. These changes reflect minor shifts in number of registered voters per Magisterial District. The changes are:

1. There has been a 2,203 decrease in registered voters.
2. The 4th Civil District now has a sufficient number of registered voters to qualify for two magistrates. They will also be identified as the 4th Magisterial District.
3. The 5th and 6th Civil Districts are combined to create the 5th Magisterial District. They will be authorized 3 magistrates.
4. The 7th Civil District and the Orebank Precinct of the 10th Civil District will make up the 6th Magisterial District.
5. The creation of one additional Magisterial District makes it necessary to change the 13th Civil District to the 14th Magisterial District, the 14th Civil District to the 15th Magisterial District, the 15th Civil District to the 16th Magisterial District, and the 17th Civil District to the 17th Magisterial District.

The aforementioned changes were made reluctantly in an effort to prevent an imbalance in representation and to comply with the "one-man", one-vote" principle as set forth by the Supreme Court.

Should there be any question about the plan or should you have any suggested improvements, the Executive Committee will be pleased to discuss the plan with you.

Respectfully,

Lloyd G. Barr, Chairman
Executive Committee
