RESOLUTION IN RE: \_\_\_\_\_

BE IT RESOLVED THAT

The Sullivan County Quarterly Court request all State Legislators who are elected by the citizens of Sullivan County to pass a Private Act prohibiting the annexation of taxable property encumbered by bonded indebtedness for county schools within Sullivan County and prohibiting any reduction of the physical area of the Sullivan County taxable base lying outside the territorial limits of incorporated cities or towns or special districts which operate their own schools independently of said County.

Be it further resolved that this prohibition against the annexation of such taxable property and the prohibition of any reduction of the physical area of the taxable base remain in effect from the date of enactment of the requested Private Act until such time as the entire County bonded indebtedness for schools is retired.

RESOLUTION IN RE: Sullivan County Wastewater Treatment

BE IT RESOLVED THAT

WHEREAS, the City of Kingsport, and Sullivan County, Tennessee, cooperatively entered into an agreement on December 6, 1974, to recognize the City of Kingsport as the lead agency in conducting an Environmental Protection Agency (EPA) 201 area-wide wastewater study for the northwest portion of Sullivan County, including the City of Kingsport; and,

WHEREAS, the preliminary study has been completed and reviewed by the appropriate officials of said federal, state, and local governments; and,

WHEREAS, the City of Kingsport now owns the only sewage collection and treatment facilities in the northwest portion of Sullivan County, and therefore, logically, should assume the responsibility of updating its wastewater treatment facilities to meet all federal and state regulations and expand its wastewater treatment facilities to adequately serve those anti-

4. That Sullivan County develop ~~special sewer service~~ districts as outlined in the 201 Facility Plan Study.

The purpose of the special sewer service districts would enable the county to finance the interceptor, trunk, and collector lines for those customers being served within the sewer service district. The financing of such an arrangement ~~could~~ <sup>will</sup> be through ~~revenue~~ <sup>sewer</sup> or General Obligation bonds. The City of Kingsport would be agreeable to levy a surcharge to the customers in the special sewer service district which would enable the County to apply the charges to the retirement of the General Obligation bonds, or to the General Fund.

RESOLUTION IN RE: Industrial Access Road

BE IT RESOLVED THAT

the Sullivan County Quarterly Court appropriate \$100,000 from surplus or other funds to assist in the construction of an industrial access bridge across the Sluice River from Moreland Drive to Jared Drive on Long Island. The total cost of this bridge will be approximately \$238,000 with the State of Tennessee appropriating \$158,000 from its industrial access road fund and Sullivan County \$100,000.

This Court acknowledged the importance of this bridge on October 20, 1975 at which time it was recognized that the other existing bridge over the Sluice River is inadequate to meet the existing industrial needs for expansion of existing industries.
