WHEREAS, Sullivan County inpatient indigent treatment cost exceeds \$3,000,000 per year, and;

WHEREAS, Sullivan County is currently paying \$250,000 toward this cost, and;

WHEREAS, the present level of funding does not meet the indigent need, thereby placing undue surcharges on the paying patients.

NOW THEREFORE BE IT RESOLVED THAT, the Sullivan County Board of Commissioners approve the following level of fundings:

Fiscal Year 1983-84: \$150,000 in addition to the \$250,000 currently funded.

Fiscal Year 1984-85: \$550,000

Fiscal Year 1985-86: \$700,000

Fiscal Year 1986-87: \$850,000

Fiscal Year 1987-88 and each fiscal year thereafter: \$1,000,000

BE IT FURTHER RESOLVED THAT, the above funds will be distributed to the two hospitals based on number of patients, patient days and cost per patient day. For the 1983-84 fiscal year, 58% would be distributed to Holston Valley Hospital and Medical Center and 42% would be distributed to Bristol Memorial Hospital. The distribution percentages between the two hospitals will be reviewed each year by the Sullivan County Administrative Committee, the Sullivan County Budget Director and the hospital Administrators to insure the funds are distributed fairly between the two hospitals. The data used to determine the percentages will be based on a certified audit furnished by the two hospitals.

The inpatient funding as outlined will be made available only if Bristol Memorial Hospital and Holston Valley Hospital and Medical Center agree to the following:

 Obtain proportional funding from neighboring counties whose indigents are treated by the hospitals or restrict admittance of these indigent patients to emergency cases only.

17

.....

-5-

 Provide all indigents the lowest cost method of treatment medically appropriated.

The above two provisions shall not apply until the 1984-85 fiscal year and continued funding to either or both hospitals will be contingent upon these conditions. <

VOTERS OF SULLIVAN COUNTY CONSIDER FUNDING OF INDIGENT COST

FUND

BE IT RESCLVED THAT WHEREAS, Sullivan County has a moral obligation to its medically indigent citizens, and;

WHEREAS, in order to assume this expense in full the county commission would be compelled to seek new revenue for this purpose.

NCW THEREFORE, BE IT RESOLVED THAT, if Sullivan County Commission considers this course of actio it refer the decision to the voters of the county by placing in question on the ballot in the August, 1984 General Election.
